Welcome Volunteer Applicant:

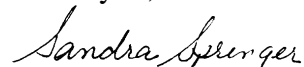

Thank you for your interest in volunteering at Queens Hospital. We greatly appreciate the desire you have shown to help the patients at our hospital.

Queens Hospital's Department of Volunteer Services Program is dedicated to making a difference in the lives of our patients and dedicated employees. Our mission is to recruit, train and place committed volunteers who have demonstrated they are productive, effective, and responsible individuals.

Due to the large number of applications we receive, we are unable to place everyone. We will review your interests and background in detail and will contact you if we feel that your interests and qualifications match any future volunteer opportunities. Unfortunately, we do not have a volunteer position to offer all applicants. If we don't have a position to offer you, your application will be placed on a waiting list.

On behalf of the Department of Volunteer Services, I would like to thank you once again for the interest you have shown in volunteering at our hospital. We wish you success in your search for a volunteer position.

Thank you,

Sandra Springer

Director

Department of Volunteer Services
